

Rent a Butterworth Tank Cleaning Machine, a pump, hoses and even a tank from Butterworth.

The rental group at Butterworth has taken all of your needs into consideration. Rent a Tank Cleaning Machine and you can also rent the accessories to do your complete job, such as hoses, gasoline driven pump, cone manways, hose saddles, and a tank. Our job is to make your job easier and put the tank cleaning necessities at hand in one stop.

All of our machines are available for rental; K/SK/SSK, LT-LTFT, BC, LTQ, Micro100 are available for a weekly or long term rental.

Contact us at rental@butterworth.com or call Darryl Kee at 281-821-7300.
